The following statement was entered into the record for Supervisor Knabe:

“The month of November is ‘National Family Caregivers Month’ which recognizes the commitment and compassion of the many family caregivers in Los Angeles County. In many cases, family caregivers are at a place in their lives when they should be enjoying retirement, yet they choose to take on the responsibility of caring for a young child or an elderly relative. This is a trend that is becoming more and more commonplace, and I believe we should do all we can to acknowledge their efforts and help them face these challenges.”

Therefore, on motion of Supervisor Knabe, seconded by Supervisor Antonovich, unanimously carried (Supervisor Molina being absent), the Board proclaimed November 2008 as “National Family Caregivers Month” throughout Los Angeles County to recognize the commitment and compassion of the many family caregivers.
